

ELFAB CO LLC, Dubai

Food Safety & Quality Policy

FOOD SAFETY is critical to our business. All our staff members are trained in food safety procedures, and are familiar with the current rules and regulations. To maintain our focus on **FOOD SAFETY**, Elfab Co LLC, Dubai has established, and will continuously maintain and improve the Food Safety Management System by all necessary means at all levels within the business. We also hold our business partners to these high standards.

All our staff has been trained, and have refresher courses annually and as needed. Training covers procedures, processes, rules and regulations, and product safety requirements.

We maintain continuous communication and close coordination with our stake holders including suppliers, regulatory authorities, internal and external customers. This is all for the end goal of high **FOOD SAFETY** standards.

FOOD SAFETY has to be maintained at all times while managing any changes as posted by the industry and regulatory authorities. Elfab Co LLC, Dubai's management is committed to **FOOD SAFETY AND QUALITY** goals and objectives.
